PROFESSIONAL SUMMARY

A passionate and technically skilled AIML student with strong programming and software development abilities. Committed to innovation and problem-solving. I strive to collaborate effectively and apply my knowledge to real-world challenges.

SKILLS

- **Technical Skills:** C, Python, SQL, HTML, Java.
- **Technical Concepts:** DSA, DBMS, Machine Learning, Artificial Intelligence, Computer Networks, Git, Linux.
- **Soft Skills:** Communication, Teamwork, Problem-Solving, Time-Management, Leadership.
- **Languages:** English, Kannada, Telugu.

INTERNSHIP EXPERIENCE

- Python internship, EZTS Apr 2024

EDUCATION

- **Bachelor Of Engineering (Artificial Intelligence and Machine Learning)** Dec 2022 - Present
Ballari Institute of Technology and Management. **CGPA 8.74/10**
- **Pre-University** June 2020– July 2022
Sri Chaitanya Girls P.U. College **Percentage – 93.66.%**
- **School** June 2016 – May 2020
St Philomena’s Composite Pu College **Percentage – 89.28%**

PROJECTS

Patch Management System Apr-2024

- Technologies Used: Python
- Project Description: Designed and implemented an automated system for software updates and security patches, ensuring enhanced security and compliance. Integrated real-time vulnerability detection, scheduled patch rollouts, and a dashboard for monitoring patch status and optimizing system performance.

Block Chain Integration in Agri-food Supply Chain Aug 2024

- Technologies Used: Python, NodeJS, MetaMask
- Project Description: Designed and implemented a blockchain-based solution to enhance transparency and traceability in the agri-food supply chain, leveraging smart contracts for secure transactions and real-time product tracking to ensure food safety and quality assurance.

AI Resume Builder Jan 2025

- Technologies Used: Python, Streamlit
- Project Description: Developed an AI-powered resume builder utilizing NLP to generate personalized resumes, featuring a user-friendly interface for seamless customization and real-time previews.

CERTIFICATIONS

- Python internship (by EZTZ)
- Simulink onramp using MATLAB

EXTRACURRICULAR ACTIVITIES

- Participated in the HackB24 Hackathon as part of my college experience.
